Zentangle Classes

The Zentangle Method is an easy-to-learn, relaxing, and fun way to create beautiful images by drawing structured patterns. It increases focus and creativity and provides artistic satisfaction and an increased sense of personal well being. Zentangle is enjoyed all over the world across a wide range of skills and ages. Materials to use in class are included in the fee. Open to adults of all ages. **Sign up for all three classes and receive a \$10 discount.**

Zentangle 101 - This introductory class includes learning how to create a Zentangle tile, a 3.5-inch square, while relaxing and having fun. Even if you have dabbled in Zentangle before, formal instruction will enhance your experience. Relax and enjoy this accessible art form, perfect for anyone who can hold a pencil.

Zentangle 201 - Black Tiles - Just when you think you have tried it all, we reverse it - putting white ink on a black tile. The technique used with these slightly different materials isn't as simple as one thinks, but is just as fun and interesting as the white tiles. Pre-requisite: a Zentangle 101 class with a Certified Zentangle Teacher.

Zentangle 301 - Renaissance Tiles - Inspired by art from the Renaissance era, use black, brown and white on these tan tiles to channel your inner Michelangelo or di Vinci. Just as every Zentangle class, everyone can make these stunning pieces of art. Pre-requisite: a Zentangle 101 class with a Certified Zentangle Teacher.

Trained by the founders of Zentangle®, Samm Wunderlich is a Certified Zentangle Teacher (CZT®). She has taught more than a thousand students of all ability levels. By day, Samm is a Certified Recreation Therapy Specialist, and Certified Brain Injury Specialist, who incorporates Zentangle into daily work with her clients.
