Jim is the Managing Director for Future Tool & Machine, Inc. Jim was the owner of a large manufacturing firm, purchased just prior to the parent company filing for bankruptcy, saving over 100 jobs. He turned the company around to profitability and sold it to a European firm five years later.

Prior Employment Experience/Professional Experience:

- Held key sales and management positions for large, local manufacturing firms
- Worked with SE Michigan Community Alliance on the Incumbent Worker Training Program to develop plans for layoff aversion and training for small to midsize Michigan manufacturing companies
- Worked with various State Senators, MEDC, Michigan Manufacturing Association, consortium of Michigan Banks, Credit Unions and the Governor's Office to develop a loan guarantee program to help support and grow small to midsize Michigan manufacturing companies
- Licensed Realtor with Jack Christenson, Troy

Education:

Jim received his BA (Summa Cum Laude) from Northwood University. Dale Carnegie Management Course, Michigan State Sales Management Course and Leadership Oakland Graduate.

Community Involvement:

- Graduate of Troy Citizens Academy
- Past Volunteer & Booster for Troy High School Bands (Voice of THS Marching Band)
- Past multi-year Leadership with Boy Scout Troop 1702
- Past multi-year Coach for Troy Baseball Boosters
- 32 Degree Master Mason - Birmingham Lodge #44
- Member of Scottish Rite - Valley of Detroit
- Member of Detroit Masonic Shrine
